**PLEASE NOTE THAT THIS QUESTIONNAIRE MUST BE COMPLETED AND SUBMITTED  
FOR ANY APPLICATION THAT IS SUBJECT TO THE 500 FOOT LAW.**

**Purpose of Questionnaire**

An application is subject to the 500 Foot Law if an applicant is seeking an On Premises Liquor license and the applicant's premise is: (1) in a city, town or village with a population of 20,000 or more; and (2) there are three or more establishments already operating with an On Premises Liquor license within a 500 foot radius of the applicant's premises. If the application is subject to the 500 Foot Law, it cannot be approved unless the Authority finds that issuing the license is in the public interest. The 500 Foot Law requires that, before the decision is made, the Authority consult with the municipality and conduct a hearing to consider arguments and information on the issue of public interest. The purpose of this questionnaire is to gather relevant information in advance of the hearing.

**Instructions**

- The hearing required for an application subject to the 500 Foot Law will not be scheduled until this questionnaire has been submitted to the Authority. Failure to submit this questionnaire either with the original application or in response to a Notice of Deficiency will result in the disapproval of the application.
